

VACMAXI 240V

SUCTION PUMP POWERFUL SUCTION

Smooth hygienic finish, water resistant, easy to clean and maintain.

The VAC-series pump is Apex Medical's most recent generation of portable suction units and has been designed to combine function with aesthetic appeal and meet the needs of today's hygiene and infection control requirements.

The VacMaxi suction unit is a powerful, fast and effective aspirator which is ideal for use in high vacuum, high flow applications.
