

Supa Argon 02

Description

Supa Argon 02 is an oxygen, argon based gas mixture with a medium active gas content. The gas is inert, non-toxic, colourless and odourless. Supplied in high pressure metal clinders and packs where available.

Supa Argon 02 is offered to customers using GMAW for most high alloy and austenitic stainless steel across a wide range of material thicknesses. Supa Argon 02 for these applications may be more economical than Ar/He/CO₂ mixtures and fit for purpose.

Applications

- MIG welding of Stainless and Duplex Steels

Hazard statement(s)

- Contains gas under pressure; may explode if heated.

Prevention statement(s)

- None allocated.

Response statement(s)

- None allocated.

Storage statement(s)

- Protect from sunlight. Store in a well-ventilated place.

Other hazards

- Asphyxiant. Effects are proportional to oxygen displacement.

Signal Word: Warning
UN No.: 1956
Hazard No.: 2(S)E
Chem Symbol: N/A
Classification: AS 4882-2003:
 SG-AC-2
